

# Environment & Water Technologies | Singapore & Philippines

FROM  
17 MAR. 2019 TO 22 MAR. 2019

Closed for Application

The European Union is looking for companies to select for the **Environment & Water Technologies business mission to South East Asia**. Participants will go to Singapore and Manila (Philippines) for a week of business meetings with local customers and partners.

The mission kicks off on 17 March 2019 in Singapore and includes **business-to-business meetings, networking events and exhibitor spotlight sessions**.

After the 19th, the companies travel to Manila for three business exhibition days that take place at the Trade Exhibition Venue and are part of Water Expo Philippines 2019. The event is expected to attract more than 8,500 trade visitors including key players in the industry.

Logistical and financial support is given to the companies selected for the programme: apply before the **deadline on 16 November 2018**.

For more information on the EU-funded mission, download the [Business Mission Information](#) [1] document. For any details related to applications, contact a representative from the European coaching network for the programme at [coaching.network@eu-gateway.eu](mailto:coaching.network@eu-gateway.eu) [2].

Funded by the  
European Union
