#EUGateway

FROM  
23 SEP. 2019 TO 27 SEP. 2019

Closed for Application

Environment & Water Technologies are the focus of the 2019 business mission to Korea that will take place from 23 to 27 September, in Seoul.

Up to 50 companies from Europe will be chosen for this mission and a chance to appraise the Korean market and create meaningful business relationships.

The five-day mission week gives the opportunity to participants to **showcase their products and technologies to a targeted audience of potential business partners.**

Aside from the exhibition, participants will also partake in site visits, business networking receptions and mandatory briefing sessions.

To find out more information, download the business mission information document or contact our team from the European coaching network at [coaching.network@eu-gateway.eu](mailto:coaching.network@eu-gateway.eu) [1].

Funded by the  
European Union
