

Green Energy Technologies | Japan

FROM
18 JUN. 2018 TO 22 JUN. 2018

Closed for Application

EU Gateway | Business Avenues organises its second mission focused on [Green Energy Technologies](#) [1] to Japan, from **18-22 June 2018**.

Selected European companies will have the opportunity to showcase their products and technologies to a targeted audience of potential business partners during a **3-day business exhibition**. The **last day of the exhibition** will take place within the [Grande Renewable Energy 2018 International Conference & Exhibition](#) [2].

Participating companies will also benefit from a range of standard and customised services designed to maximise their business opportunities, such as: **promotion of their products in the Japanese market**, **interpreters** during the business exhibition days, and **translation of promotional material**.

Download the [business mission information](#) [3] for more detail, and apply by **2 March 2018**.
