

MARKET SCOPING MISSION INFORMATION

GREEN ENERGY TECHNOLOGIES

24-27 SEPTEMBER 2019, JAPAN

Dear Participant,

Are you interested in applying for the Green Energy Technologies Market Scoping Mission to Japan? Are you seeking more information about the EU Green Gateway to Japan coaching approach, the standard and customised services, the promotion of your company in Japan, a more detailed outline of the Market Scoping Mission Week events, and financial support offered by the European Union? Please read this document.

1. Overview of the 2019 Green Energy Technologies Market Scoping Mission to Japan

1.1 Coaching

European companies receive coaching during the application stage, the pre-departure stage, the Market Scoping Mission week in Japan, and after returning to Europe. Coaching includes:

- **Suitability check and assistance during application:** After you submit an Expression of Interest, we will contact you to discuss your company's eligibility and suitability for the Market Scoping Mission.
- **Market Study:** After selection, you will receive a comprehensive Market Study. This will broaden your understanding of the Japanese Green Energy Technologies market and help you to define your market strategy.
- **Pre-Departure Meeting:** Before the Market Scoping Mission week, you will attend a one-day Pre-Departure Meeting in Brussels. At the meeting, you will receive a briefing on logistical preparation for the Market Scoping Mission week, a presentation on the Japanese market in your business sector, and consultation on the business matching process.
- **Post-Mission Follow-Up:** Shortly after your return to Europe, your EU Green Gateway to Japan Coach will debrief you and offer advice on follow up with contacts made in Japan. You will also be asked to complete an online questionnaire after the Market Scoping Mission.

1.2 Standard and Customised Services

- **Standard Services:** Standard Services are designed to maximise your business opportunities in Japan. They are fully financed by the EU and are provided to all participants. Standard Services include:
 - Product suitability check
 - Search for local business partners
 - Scheduling of individual meetings
 - Promotion in the Japanese market
 - Built-up booth within the designated EU Pavilion (at Intex Osaka) for the 3-days Business Exhibition in Japan
 - Business Meeting Interpreters (English-Japanese-English only) assigned to the meetings for 3 Business Exhibition days
 - Communication assistance (floating interpreters) in the EU Pavilion for 3 days
 - Stand-by support during the entire Market Scoping Mission week
- Promotion of your company in Japan (see 1.3 for details)
- **Customised Services:** You can choose from a range of optional Customised Services co-financed by the EU. Customised Services include:
 - Translation into Japanese and printing of company documents, product manuals, brochures, and business cards, etc.
 - Personal interpreter (English-Japanese-English only) for business meetings held outside of the Business Exhibition Days
 - Additional business-related services provided by independent experts

1.3 Promotion in Japan

As part of the Standard Services, all participants will be featured in a comprehensive promotional campaign run in Japan. Promotion will include:

Press Release: a press release will be distributed to targeted media with details of all companies participating in the Market Scoping Mission.

Japan Website: Your company profile will be formatted in Japanese for all Japanese companies to view on the EU Green Gateway to Japan Japanese website at www.eu-green-gateway.jp. They will be able to request to set up business meetings.

Direct Mail Promotion: Invitations to the Business Exhibition Days and a Business Networking Reception will be sent to sector-related Japanese companies, industry, associations, and public organisations in Japan. With the cooperation of the World Smart Energy Week Osaka 2019 organiser and Public Relations team there will be a large audience for this Market Scoping Mission.

Market Scoping Mission Catalogue: a printed Japanese/English catalogue detailing all EU companies participating in the Market Scoping Mission will be distributed at the Business Exhibition Days. The catalogue will also be made available online. Each company profile includes:

- Company key data and contact information
- A company introduction
- A summary of your company's products and technologies
- Two images of products you wish to focus on in Japan
- A photograph of your company's representative(s) at the Market Scoping Mission
